My name is Sean Chambers and I am 21 years of age. I am currently in my third year at AUT doing a Bachelor of Computer and Information Sciences. I am a responsible and confident person with the ability to relate to people of all ages. I am an organised and dedicated employee, with strong time management skills. I have great people/social skills and am at ease when it comes to interacting with clients, customers and fellow employees. I am thorough and vigilant in my duties appointed to me by my employer and am very willing and able to learn. With my positive attitude, enthusiasm and work history I feel I have much to offer a prospective employer.
